Re: Personnel - HALSWICK, Dr. Gustav
born 1 March 1902 in COLOGNE

1. Reference is made to paragraph 5d(2)(a) of Operations Memorandum 6/57, Hq, 66th CIC Group, USARSR.

2. Reference is also made to my memorandum of 30 April 1957, BV-57-1984, Subject as above, which reported that Gustav HALSWICK, a long-time BfV "freier Mitarbeiter," was being foreseen as a replacement for Karl ESCHWEILER of Section V-2 of the BfV.

3. It has now been determined that HALSWICK will not replace ESCHWEILER as head of BfV Section V-2, since ESCHWEILER's plans for transfer to the FRG Foreign Office have fallen through. However, HALSWICK has been regularized by the BfV; i.e., he has become an official civil service employee, who now heads Department V's investigative team. At the present time this investigative team is concerned with background information of government employees, COSMIC personnel, and contractor personnel under the FRG industrial security program.
